13 INTRODUCTION

14 A. Filing of the Plan

15 The Reynen Debtors filed their voluntary petitions under chapter 11 of Title 11 of the United
16 States Code (the “Bankruptcy Code”) on April 23, 2008 (the “Reynen Petition Date”) in the
17 Bankruptcy Court. The Bardis Debtors filed their voluntary petitions under chapter 11 of the
18 Bankruptcy Code on October 15, 2008 (the “Bardis Petition Date”) in the Bankruptcy Court. The
19 Debtor Group has remained in possession of respective Estate assets since then, no trustee having
20 been appointed in either case.

21 The Debtor Group has filed the Plan and this Disclosure Statement with the Bankruptcy Court
22 pursuant to the provisions of Section 1125 of the Bankruptcy Code, for distribution to holders of
23 Claims against the assets of either the Reynen Debtors, the Bardis Debtors or both, in connection
24 with (i) the solicitation of acceptances of the Plan, and (ii) the hearing to consider confirmation of the
25 Plan (the “Confirmation Hearing”) to be scheduled by the Bankruptcy Court.

26 Attached as exhibits to this Disclosure Statement are copies of the following:

- 27 • the Plan (**Exhibit “A”**);
- 28 • the Order of the Bankruptcy Court approving this Disclosure Statement and
establishing voting and tabulation procedures (**Exhibit “B”**);
- the Debtor Group’s projections of plan distributions and liquidation alternative
in Reynen Estate (**Exhibit “C”**);
- the Debtor Group’s projections of plan distributions and liquidation alternative
in Bardis Estate (**Exhibit “D”**);

- the most recent monthly operating report filed by the Reynen Debtors (**Exhibit "E"**);
- the most recent monthly operating report filed by the Bardis Debtors (**Exhibit "F"**);
- an analysis of general unsecured claims against each of the Estates (**Exhibit "G"**) and
- the curriculum vitae of Hank Spacone, the proposed Plan Agent (**Exhibit "H"**).

In addition, a ballot (the "Ballot") for the acceptance or rejection of the Plan is enclosed with the Disclosure Statement, for use by those holders of Claims that are entitled to vote to accept or reject the Plan.

After notice and a hearing, the Bankruptcy Court has approved this Disclosure Statement as containing adequate information of a kind and in sufficient detail to enable hypothetical, reasonable investors typical of the Debtor Group's creditors and interest holders to make an informed judgment whether to accept or reject the Plan. Each creditor and holder of a Claim in either the Reynen Estate or the Bardis Estate that is entitled to vote to accept or reject the Plan should read this Disclosure Statement and the Plan in their entireties before voting on the Plan.

B. Right to Vote on the Plan

Pursuant to the provisions of the Bankruptcy Code, only holders of allowed claims in classes of claims that are impaired under the terms and provisions of a chapter 11 plan are entitled to vote to accept or reject that plan. Holders of Allowed Claims in classes of claims that are unimpaired under the terms and provisions of a chapter 11 plan are conclusively presumed to have accepted the plan and therefore are not entitled to vote with respect to that plan. Holders of Claims within Classes A1, A2, B1.1, B1.12, B1.13, B2.1, B2.2, B2.3, B2.5, B2.7 and B2.8 of the Plan are unimpaired, are conclusively presumed to have accepted the Plan, and therefore do not have the right to vote on the Plan. Holders of Claims in Classes B1.2, B1.3, B1.4, B1.5, B1.6, B1.7, B1.8, B1.9, B1.10, B1.11, B2.4, B2.6, C1, C2, D1 and D2 are impaired and therefore are entitled to vote to accept or reject the Plan.

1 The Bankruptcy Code defines “acceptance” of a plan by a class of claims as acceptance by
2 creditors in that class that hold at least two-thirds in dollar amount, and more than one-half in
3 number, of claims within that class that cast ballots for acceptance or rejection of the plan. The
4 Bankruptcy Code defines “acceptance” of a plan by a class of interests as acceptance by interest
5 holders in that class that hold at least two-thirds in amount of the allowed interests in that class that
6 cast ballots for acceptance or rejection of the plan. For a more complete description of the
7 requirements for confirmation of the Plan, see Section VI, “Confirmation and Consummation
8 Procedure.”

9 If a Class of Claims rejects the Plan or is deemed to reject the Plan, the Debtor Group has the
10 right, and intends, to request confirmation of the Plan pursuant to the “cram-down” provisions of
11 Section 1129(b) of the Bankruptcy Code. Section 1129(b) permits the confirmation of a plan
12 notwithstanding the non-acceptance of such plan by one or more impaired classes of claims or equity
13 interests if the proponent thereof complies with the provisions of that section. Under that section, a
14 plan may be confirmed by a bankruptcy court if it does not “discriminate unfairly” and is “fair and
15 equitable” with respect to each non-accepting class. For a more detailed description of the
16 requirements for confirmation of a nonconsensual plan, see Section VI(B)(2), “Confirmation and
17 Consummation Procedure -- Unfair Discrimination and Fair and Equitable Tests.”

18 The Debtor Group believes that through the Plan, creditors will obtain a greater recovery upon
19 their claims than the recovery that would be available if the assets of the Debtor Group were
20 liquidated under chapter 7 of the Bankruptcy Code. Therefore, the Debtor Group believes that after
21 carefully reviewing the Plan and this Disclosure Statement, including the Exhibits, each holder of an
22 Allowed Claim that is entitled to vote with respect to the Plan should vote to accept the Plan. As
23 noted above, the Official Creditors’ Committee appointed in the Reynen Case (the “Committee” or
24 the “Creditors’ Committee”), having negotiated at length with the Debtor Group on behalf of general
25 unsecured creditors, supports the confirmation of the Plan.

26 **C. Voting Instructions**

27 If you are entitled to vote to accept or reject the Plan, the Ballot is enclosed for the purpose of
28 voting on the Plan. If you hold a Claim in more than one Class and you are entitled to vote Claims in

more than one Class, you may submit separate ballots that must be used for each separate Class of Claims. In any event, please vote and return your ballot(s) to:

REYNEN PLAN OF REORGANIZATION
c/o Meyers Law Group, P.C.
Attn: Edie Walters, Esq.
44 Montgomery Street, Suite 1010
San Francisco, CA 94104

DO NOT RETURN YOUR NOTES OR SECURITIES WITH YOUR BALLOT. TO BE COUNTED, YOUR BALLOT INDICATING ACCEPTANCE OR REJECTION OF THE PLAN MUST BE RECEIVED NO LATER THAN THE TIME AND DATE STATED ON THE BALLOT.

If you are entitled to vote on the Plan and did not receive a Ballot, received a damaged Ballot or lost your Ballot, or if you have any questions concerning the Disclosure Statement, the Plan or the procedures for voting on the Plan, please call Edie Walters, Esq., one of the Debtor Group's counsel, at (415) 362-7500, ext. 225.

D. Confirmation Hearing

Pursuant to Section 1128 of the Bankruptcy Code, the Confirmation Hearing will be commenced on the date set forth in documents provided with this Disclosure Statement before the Honorable Christopher M. Klein, United States Bankruptcy Judge, at the United States Bankruptcy Court for the Eastern District of California, Sacramento Division, 501 "T" Street, Sacramento, California. The Bankruptcy Court has directed that objections, if any, to confirmation of the Plan be served and filed so that they are received on or before the deadline stated in such documents, in the manner described below in Section VI(B), "Confirmation and Consummation Procedure -- The Confirmation Hearing." The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for the announcement of the adjournment date made at the Confirmation Hearing or at any subsequent adjourned Confirmation Hearing.

II. DESCRIPTION OF THE PLAN

A. Introduction

The Plan is the product of extensive efforts by the Debtor Group to formulate a plan that maximizes recoveries for creditors and provides for distributions to creditors to be made as early as possible. It is also the product of successful and detailed negotiations with the Creditors' Committee.

1 Those negotiations consumed many months of laborious discussions and analyses among the
2 Committee, the Debtor Group, related entities and their respective counsel and financial advisors.
3 Many iterations of an extensive and comprehensive term sheet were exchanged and debated among
4 the parties, supported by extended research and analysis by the Committee's financial advisor and
5 consideration of multiple issues and competing interests, and in the end, the Committee and the
6 Debtor Group were able to reach agreement upon the terms of the Plan so that it can proceed with the
7 full support of both, in a manner intended to maximize recoveries for creditors of both Estates. Based
8 upon those successful negotiations, this Disclosure Statement is accompanied by a letter sent on
9 behalf of the Committee expressing its full and strong support for the Plan and urging creditors
10 holding general unsecured claims to timely accept the Plan through use of the enclosed Ballot.

11 Under the Plan, the Debtor Group estimates that the Plan Agent will pay between
12 approximately 3.0% and approximately 6.0% of all Allowed General Unsecured Claims in the
13 Reynen Case, and between approximately 2.4% and approximately 5.2% of all Allowed General
14 Unsecured Claims in the Bardis Case, over time, using the proceeds of the Debtor Group's tax
15 refunds, as well as cash generated by the sale of most of the Debtor Group's non-exempt assets and
16 the recovery of avoidable transfers, as explained in more detail below. The Debtor Group's ability to
17 preserve the value of the estate is premised on the ability to retain tax refunds and on substantial
18 cooperation and efforts by the Debtor Group that have been made during the course of the Chapter 11
19 Cases and will continue to be made throughout the remainder of the cases, with post-confirmation
20 incentive compensation paid to the Debtor Group pursuant to formulae as negotiated with the
21 Creditors' Committee.

22 **B. Classification and Treatment of Claims**

23 The Plan designates approximately 30 Classes of Claims (including subclasses). Those
24 Classes take into account the differing nature and priority of the various classified Claims under the
25 Bankruptcy Code.

26 The following table briefly summarizes the classification and treatment of all Claims under
27 the Plan and the consideration distributable on account of such Claims under the Plan. The
28 information set forth in the following table is for convenience of reference only, and each holder of a

Claim should refer to the Plan for a full understanding of the classification and treatment of Claims provided for under the Plan. Claims will receive designated treatment within a Class only to the extent Allowed within that class. The Claim allowance procedure is an ongoing process and the actual amount of Allowed Claims may vary from the estimates. For a complete description of the risks associated with the recoveries provided under the Plan, see Section VII, “Certain Risk Factors To Be Considered.”

C. Material Elements of the Plan

The following is a brief summary of certain of the material provisions of the Plan that allow for the distributions and treatments contemplated by the Plan. This overview is qualified in its entirety by reference to the provisions of the Plan itself, a copy of which is annexed hereto as **Exhibit “A,”** as well as financial and other information contained elsewhere in this document and in the exhibits attached hereto.

1. Appointment of Plan Agent. On and after the Effective Date, a Plan Agent, selected by the Creditors’ Committee and the Debtor Group, will direct the liquidation of the Estates’ assets and to oversee the buildout of certain existing projects. The Plan Agent will obtain a fidelity bond at

1 the Estates' expense, shall be independent of all other interests in the cases, and must have sufficient
2 business experience to make knowledgeable business judgments related to the implementation of the
3 Plan. The Plan Agent may be removed and replaced by the Plan Committee, with the reasonable
4 approval of the Reorganized Debtors.

5 The Creditors' Committee and the Debtor Group have selected Hank Spacone for the role of
6 Plan Agent, and Mr. Spacone has agreed to be retained in that capacity. Therefore, subject to the
7 occurrence of the Effective Date, Mr. Spacone will act as the Plan Agent and will be assisted by his
8 staff, including the following individuals, at the following hourly rates: \$250.00 per hour for Mr.
9 Spacone; \$125.00 per hour for Marsha Kass; \$100.00 per /hour for Chris Barlow; and \$60.00 per
10 hour for Pamela Henderson. Pending the Effective Date, Mr. Spacone has been retained by the
11 Creditors' Committee as its consultant, so that once the Plan becomes effective, there will be no time
12 lost in familiarizing the Plan Agent with the assets and liabilities of the Estates that he will
13 administer.

14 Mr. Spacone has been selected for his expertise, experience and proven ability, based in part
15 upon the following: Mr. Spacone is a licensed and practicing certified public accountant with over 25
16 years of experience. He has served as a chapter 7 and chapter 11 bankruptcy trustee in both the
17 Northern and Eastern Districts of California. Mr. Spacone has provided consulting services to
18 corporate and individual clients covering many industries. He has extensive experience in complex
19 corporate reorganization and bankruptcy liquidations. Mr. Spacone has also had experience in
20 developing financial structuring for public/private partnership projects through private placements
21 and public offerings. Attached hereto as **Exhibit "H"** is Mr. Spacone's curriculum vitae.

22 The Plan Agent will commence services as of the Effective Date, and will continue to perform
23 his duties until completion of the final distribution to be made in implementation of the Plan, or until
24 removed pursuant to the terms of the Plan. The Plan Agent will act in each of the Reynen Case and
25 the Bardis Case, and will keep separate accounts, books and records for each of the Estates. The Plan
26 Agent will be responsible for the implementation of the Plan to the extent expressly provided in the
27 Plan, and will have certain duties, powers and authorities in order to do so, including the ability to
28 monitor and direct, in defined respects, the assistance efforts of the Debtor Group, full access to the

1 books and records of Buildco (see Section II(C)(5) below for a description of this entity and its role
2 under the Plan), the ability to negotiate settlements and to sell assets on behalf of the Estates, the
3 power to file and prosecute Estate avoidance claims and objections to Claims, in accordance with the
4 terms of the Plan, and the responsibility to make distributions to creditors from time to time and to
5 manage the Estates' funds in the interim. The Plan Agent also will be responsible for making
6 expenditures on behalf of the Estates, including maintaining insurance coverage and paying the
7 approved administrative expenses of Plan implementation.

8 The Plan Agent is also responsible for making advances to Buildco in accordance with a
9 budget approved by the Creditors' Committee and R&B, subject to modification in certain
10 circumstances. As discussed below, the continued, limited operation of Buildco is considered by
11 both the Debtor Group and the Creditors' Committee to be beneficial to the Estates herein, given the
12 likely reduction of unsecured guarantee claims in these cases that will result from Buildco's
13 completion of existing construction projects.

14 2. **Appointment of Plan Committee.** A Plan Committee will be formed as of the
15 Effective Date in order to monitor the activities of the Plan Agent and the Debtor Group, and to
16 provide or withhold consents to certain actions by each. There will be either three or five members of
17 the Plan Committee, all of whom will be holders of Claims within Classes D1 or D2 selected by the
18 Creditors' Committee and approved by the Court. Members shall be compensated and reimbursed
19 their expenses, and each member and its representative shall be indemnified by the Estates against
20 any claims against them other than for gross negligence or intentional misconduct. In addition, to the
21 extent reasonably available, the Plan Agent will purchase errors and omissions insurance coverage
22 for such members (as well as for the Plan Agent and, within certain limitations, the Debtor Group).

23 To date, subject to Bankruptcy Court approval, the following creditors have agreed to become
24 members of the Plan Committee: Wells Fargo Bank, N.A., Guaranty Bank and Lennar Renaissance,
25 Inc. Each of those creditors holds claims against both the Reynen Estate and the Bardis Estate. It is
26 anticipated that two more members may be asked to serve on the Plan Committee. Members will be
27 reimbursed their expenses in serving on the Plan Committee, plus an attendance fee for each meeting
28 of the Plan Committee attended.

1 **3. Estates and Excluded Assets.** As of the Effective Date, all assets of the two Estates
2 shall remain in those Estates and be managed by the Plan Agent, except for certain properties (the
3 “Excluded Assets”) that will be revested in the Reorganized Debtors. Those Excluded Assets, in
4 general, are either exempt from creditors’ claims as a matter of law or considered to have limited
5 equity or recovery value. The Excluded Assets are as follows:

- 6 • Reynen Excluded Assets: Pursuant to the terms of the Plan, the following assets will
7 be revested in the Reynen Debtors on the Effective Date and will not be subject to
8 liquidation or creditor claims:
 - 9 ○ Sacramento Property – The Reynen Debtors’ residence, located at 2400 E.
10 Tiffany, Sacramento, California.
 - 11 ○ Pennsylvania Farm – The Reynen Debtors’ house, land and quarry, together
12 with related interests and assets, located in Hartford Pennsylvania.
 - 13 ○ Personal Items – All household goods, vehicles, jewelry, artwork, clothing and
14 other personal items of the Reynen Estate.
 - 15 ○ Mercedes Vehicle – A 2007 Mercedes Benz vehicle.
- 16 • Bardis Excluded Assets: Pursuant to the terms of the Plan, the following assets will be
17 revested in the Bardis Debtors on the Effective Date and will not be subject to
18 liquidation or creditor claims:
 - 19 ○ Kastanitsas Property – The Bardis Debtors’ house and related property in
20 Kastanitsas, Greece.
 - 21 ○ Personal Property – All household goods, vehicles, jewelry, artwork, clothing
22 and other personal items of the Bardis Estate.
 - 23 ○ C&S Partnership – The Bardis Debtors’ interest in C&S Partnership, a
24 partnership that owns horses and buys, trains and sells those horses.
 - 25 ○ Private Club Memberships – Any private club memberships owned by the
26 Bardis Estate as of the Bardis Petition Date.
 - 27 ○ Gold River Property – The Bardis Debtor’s primary residence, located at
28 11375 Huntington Village Lane, Gold River, CA 95670.

1 **4. Continuing Role and Compensation of Debtor Group.** Following the Effective
2 Date, the Debtor Group will make reasonable best efforts to provide assistance to the Plan Agent in
3 five respects: (a) assistance in the Plan Agent's efforts to sell the Estates' assets for the benefit of
4 creditors, for an approximate one-year sale period; (b) the potential defense of the Estates' income
5 tax refunds recently obtained; (c) operation of Buildco in order to complete certain development or
6 construction projects as to which the Debtor Group has provided personal guarantees, and thereby
7 reduce deficiency claims asserted against the Estates; (d) review of claims filed against the Estates,
8 and prosecution of claims objections to the extent appropriate and approved by the Plan Agent; and
9 (e) assist in the prosecution of avoidance and other claims held by the Estates.

10 In consideration of those efforts, the Debtor Group will be compensated as follows, subject to
11 suspension by the Plan Agent in certain circumstances set forth in the Plan:

- 12 • Sale Period Compensation. As compensation for their assistance in the Plan Agent's
13 sales efforts, the Reynen Debtors and the Bardis Debtors will each receive monthly
14 payments of \$30,000 per month from May 1, 2009 to December 31, 2009, and
15 \$15,000 per month from January 1, 2010 to May 31, 2010, up to a maximum amount
16 of \$315,000 for the Reorganized Reynens and \$315,000 for the Reorganized Bardises,
17 all subject to extension and/or increase only with the consent of the Debtor Group, the
18 Plan Agent and the Plan Committee, and also subject to offset by certain living
19 expenses of the Debtor Group, and the holding costs of Excluded Assets (described
20 below) incurred and paid by the Estates on or after May 1, 2009.
- 21 • Claim Reduction Incentives. As compensation for their assistance in claims
22 reductions, both through claims reviews and objections and through the ongoing
23 operations and buildouts by Buildco, the Debtor Group will receive, collectively,
24 incentive payments measured by the actual reductions of claims achieved, on a claim
25 by claim basis (with certain exceptions and limitations, but not offset by claims
26 allowed in amounts greater than contemplated). Reductions will be measured against
27 a claim list agreed upon between the Creditors' Committee and the Debtor Group that
28 sets forth their collective estimation of the likely outcome of those claims in a chapter

7 liquidation. To the extent that those claims are allowed in amounts that are less than would have occurred in a chapter 7 liquidation (or in some specified cases, to the extent that particular components of claims are reduced by greater recoveries from collateral), the Estates, and therefore the Debtor Group, will benefit. The percentages and fees derived from those reductions will be calculated according to the following Claim Reduction Table:

- Tax Refund Incentives. As consideration for both the pre-Effective Date filing and prosecution of the Estates' tax returns, and the post-Effective Date potential defense of substantial tax refunds recently received, the Debtor Group will earn compensation

Deficiency Reduction Amt	Cumulative Deficiency Reduction	% Paid	Dollars in Thousands		
			Dollar Amount Range	Step Incentive	Cumulative Incentive
First \$10,000	\$10,000	0.00%	\$0	\$ -	\$ -
Next 15,000	25,000	1.00%	0 to 150	150	150
Next 25,000	50,000	1.50%	0 to 375	375	525
Next 25,000	75,000	2.25%	0 to 563	563	1,088
Next 25,000	100,000	3.00%	0 to 750	750	1,838
Next 25,000	125,000	4.50%	0 to 1,125	1,125	2,963
Next 25,000	150,000	6.00%	0 to 1,500	1,500	4,463

based upon the extent of those refunds, to the extent finally resolved with the Internal Revenue Service or by the Bankruptcy Court, as follows:

- Reynen Debtors. For the Reynen Debtors, zero percent (0%) for net refunds arising from the Reynen Estates' tax returns equal to or below \$7,000,000; five percent (5%) of such net refunds between \$7,000,001 and \$15,000,000, inclusive; and eleven percent (11%) of such net refunds over \$15,000,000.
- Bardis Debtors. For the Bardis Debtors, zero percent (0%) for net refunds arising from the Bardis Estates' tax returns equal to or below \$10,500,000; five percent (5%) of such net refunds between \$10,500,001 and \$18,500,000, inclusive, less \$397,460 from such five percent, and eleven percent (11%) of such net refunds over \$18,500,000.

1 **5. Continuing Role of Buildco.**

2 R&B is a construction company that for years has been the primary entity through which the
3 Debtor Group conducted their real estate construction and development business. The staff of R&B
4 has traditionally handled all administrative, financial and management functions for that business,
5 and that staff is intimately familiar with all pending projects of subsidiary special purpose entities
6 (“SPEs”), construction loans connected therewith, and tax returns and refunds related to the projects
7 and to the business generally. In February 2009, the core of that staff moved to a newly established
8 construction management firm, Buildco, Inc., a California corporation (collectively with R&B,
9 “Buildco”), and R&B’s operations have been substantially reduced or terminated. The expertise of
10 that staff is essential to the maximization of distributions to the Estates’ creditors, in defending the
11 tax refunds recently received by the Estates, in reducing deficiency claims by completing ongoing
12 projects of the SPEs, in assisting in the prosecution of avoidance claims, and in reviewing and
13 challenging filed claims as necessary.

14 Under the Plan, Buildco, Inc. will continue to operate after the Effective Date in order to
15 finish pending construction projects commenced by certain SPEs and to maximize recoveries by
16 those SPEs’ lenders, thereby reducing deficiency claims that will be asserted against the Reynen and
17 Bardis Estates. Buildco, Inc. and its staff will also assist, along with the Debtor Group, in defending
18 the tax refunds obtained by the Estates. The Plan Agent will provide funding to Buildco from the
19 Estates for those purposes, in accordance with a budget prepared by Buildco and approved by the
20 Creditors’ Committee, and subject to modifications in certain circumstances.

21 Buildco will be limited in their uses of funds advanced by the Plan Agent. For example, the
22 entities will be prohibited from using advanced funds (or in the case of the new entity, Buildco, Inc.,
23 any funds) for any “hard” construction costs, unless reasonably approved by the Plan Agent. The
24 buildouts are expected to be completed by the end of 2009, unless such deadline is extended with the
25 consent of the Plan Agent, after which it is expected that R&B or Buildco, Inc., as the case may be,
26 will wind down its operations and close.

1 **6. Debtor Group's Discharge and Asset Ownership.**

2 Pursuant to the provisions of Section 1141 of the Bankruptcy Code, each of the Reynen
3 Debtors and the Bardis Debtors shall be discharged of all Claims against them as existing as of the
4 Effective Date. The Claims will be discharged regardless of whether they are asserted against either
5 of the Estates, and notwithstanding allowance or disallowance in the Chapter 11 Cases. Such
6 discharge will become effective on December 31, 2009. All assets acquired or owned by the Debtor
7 Group as of or after the Effective Date, including without limitation the Excluded Assets and any
8 compensation paid to them by the Plan Agent in accordance with the terms of the Plan, shall not be
9 property of the Estates herein, and shall not subject to any Claims against the Estates.

10 **7. Treatment of Secured Claims, Generally.** All Secured Claims will be treated in one
11 of the following manners:

- 12 • Unimpaired Claims. The holders of Allowed Secured Claims within the following
13 classes will be permitted to foreclose on underlying collateral or the Allowed Secured
14 Claim reinstated upon the Effective Date, and those Claims are therefore unimpaired:
15 B1.1, B1.12, B2.1, B2.2, B2.3, B2.4, B2.5 and B2.7.
- 16 • Impaired Claims Encumbering Estate Assets. The holders of Allowed Secured Claims
17 within the following classes, whose liens encumber Estate assets, will be paid interest
18 at 5% per annum by the Plan Agent for one year, unless earlier abandoned or sold:
19 B1.2, B1.4, B1.8, B1.9, B1.10 and B1.11. Thereafter, the Claims will be reinstated
20 and cured, or the holders will be permitted to foreclose on underlying collateral.
- 21 • Impaired Claims Encumbering Excluded Assets. The holders of Allowed Secured
22 Claims within the following classes, whose liens encumber Excluded Assets, will be
23 paid interest at 5% per annum by the Reorganized Reynens or the Reorganized
24 Bardises, as the case may be, for one year, unless earlier abandoned or sold: B1.3,
25 B1.5, B1.6, B1.7 and B2.6. Thereafter, the Claims will be reinstated and cured, or the
26 holders will be permitted to foreclose on underlying collateral, except as to Class
27 B2.6, as described below.

- 1 • Potentially Avoidable Claims Encumbering Excluded Assets. The Secured Claim
2 within Class B2.6 impairs the Bardis Debtors' homestead exemption with respect to
3 the Gold River Property, the Bardis Debtors' primary residence. Therefore, the
4 Reorganized Bardises will be entitled to file and serve a motion or complaint for
5 avoidance, disallowance or modification of such Secured Claim pursuant to Section
6 522(f) of the Bankruptcy Code or any other provision of law within thirty (30) days
7 following the Effective Date. If they fail to do so, or if such motion or complaint is
8 timely filed but ultimately unsuccessful, the holder of the Allowed Secured Claim
9 within Class B2.6 shall be permitted to exercise its right, if any, to foreclose upon the
10 Gold River Property.
- 11 • Other Secured Claims. Other Allowed Secured Claims, unknown to the Debtor Group
12 as of the present and classified as a precaution in Classes B1.13 and B2.8, will not be
13 impaired, and shall be reinstated, abandoned or paid in full, at the Plan Agent's
14 election.

15 **8. Allocation of Administrative Expenses**

16 Pursuant to Section 3.5 of the Plan, administrative expenses incurred by one of the Estates for
17 the mutual benefit of both Estates, such as professional fees incurred in the negotiations and
18 preparation of the Plan jointly for both Estates, will be allocated fairly between the Estates by the
19 Plan Agent, upon notice and opportunity for hearing provided to the Plan Committee, the
20 Reorganized Debtors and the United States Trustee.

21 **9. Treatment of Administrative Convenience Claims**

22 Under the Plan, all unsecured claims of \$2,500.00 or less, and all unsecured claims
23 voluntarily reduced to that amount, shall be paid at the rate of five percent (5.0%) of allowed amounts
24 on the Effective Date or upon allowance, whichever is later, provided that holders of claims within
25 such limit may choose to "opt out" of such treatment in favor of treatment of general unsecured
26 claims within Classes D1 and D2, or to "opt in" to such treatment by reducing their claims to the
27 threshold amount.

28 **10. Treatment of General Unsecured Claims**

General unsecured claims within Classes D1 and D2, consisting of all unsecured claims against the Reynen Debtors and the Bardis Debtors, respectively, that are not classified within other classes, shall be paid on a pro rata basis by the Plan Agent from funds of the respective Estates, from time to time as funds permit. It is anticipated, strictly as estimated projections subject to all of the uncertainties and risks attendant to projections generally and as described elsewhere herein, that the aggregate distribution to creditors within Class D1 (Reynen Unsecured Claims) will be between approximately 3.0% and approximately 6.0%, and that the aggregate distribution to creditors within Class D2 (Bardis Unsecured Claims) will be between approximately 2.4% and approximately 5.2%.

D. Recommendation as to Plan

THE DEBTOR GROUP BELIEVES THAT THE PLAN PROVIDES THE GREATEST AND EARLIEST POSSIBLE RECOVERIES TO HOLDERS OF ALL CLAIMS, AND THAT ACCEPTANCE OF THE PLAN IS IN THE BEST INTERESTS OF ALL HOLDERS OF CLAIMS. THE DEBTOR GROUP THEREFORE RECOMMENDS ACCEPTANCE OF THE PLAN BY ALL PARTIES IN INTEREST. THE CREDITORS' COMMITTEE APPOINTED IN THE REYNEN CASE ALSO BELIEVES THAT THE PLAN PROVIDES THE BEST AND EARLIEST RECOVERY FOR HOLDERS OF GENERAL UNSECURED CLAIMS IN THE REYNEN CASE, AND THEREFORE RECOMMENDS ACCEPTANCE OF THE PLAN BY ALL SUCH HOLDERS.

III. INFORMATION REGARDING THE CHAPTER 11 ESTATE

The following information is provided in summary form with respect to the Debtor Group, their chapter 11 estates, and related topics:

A. The Debtor Group and Their Business Interests

The Debtor Group's principal business enterprise is real estate development, through ownership interests held by John D. Reynen and Christo Bardis in several corporations and more than 110 special purpose entities, primarily limited liability companies, the SPEs. One of those corporations is R&B, or Reynen & Bardis Communities, Inc., a California corporation owned 50% by John Reynen and 50% by Christo Bardis. Most of the SPEs were formed for specific projects related to building homes or developing land, with financing provided by institutional lenders. Most or all of the loans made by those lenders to the SPEs have been personally guaranteed by John

1 Reynen and Christo Bardis. Subsequently, in many instances, the SPEs transferred their properties
2 and loans (by consensual assumptions) to corporations owned in part or in full by the Debtor Group,
3 including R&B.

4 The Debtor Group's business was very successful for years, building thousands of homes in
5 Northern California and Nevada. In the process, the Debtor Group guaranteed hundreds of
6 construction loans and, upon completion of projects, repaid those loans and discharged their
7 guarantee obligations.

8 **B. Events Leading to Commencement of Chapter 11 Case**

9 Unfortunately, as a result of the severe downturn in the housing market and dramatic decline
10 in home values in 2007 and 2008, many of the SPEs became insolvent and defaulted in their
11 obligations to their respective lenders. This, in turn, placed the Debtor Group in jeopardy of owing
12 substantial debts under personal guarantees for deficiencies in recoveries by the lenders to those
13 SPEs, on loans having an aggregate balance of more than \$900 million. Whereas the Debtor Group
14 was able to work cooperatively with most of those lenders in order to complete projects and
15 maximize lenders' recoveries (and thereby reduce personal guarantee exposures), certain of those
16 lenders chose to pursue collection actions against the Debtor Group, putting at risk the Debtor
17 Group's assets that would otherwise be available for distributions to all creditors. One lender in
18 particular, the Bank of the West, brought suit against both John Reynen and Christo Bardis in order to
19 enforce personal guarantees, and in January 2008, obtained prejudgment writs of attachment against
20 their personal assets.

21 In order to prevent the Bank of the West's prejudgment writs from becoming permanent liens
22 upon the Reynen Debtors' assets, therefore, and in order to prevent other collection actions that
23 would harm creditors as a whole, the Reynen Debtors filed their voluntary petition to commence their
24 chapter 11 case on April 23, 2008. The Reynen Debtors then commenced negotiations with the
25 Creditors' Committee in order to reach agreement on a consensual reorganization plan. The Bardis
26 Debtors filed their own voluntary petition on October 15, 2008 in order to facilitate an overall
27 reorganization of their obligations in conjunction with the Reynen Debtors' reorganization efforts.

28 As set forth in the schedules of assets and liabilities filed by the Debtor Group in these cases,

1 the claims against the Debtor Group's estates, including claims of the SPEs' lenders under personal
2 guarantees, may range from hundreds of millions of dollars to almost one billion dollars, depending
3 on the outcome of the SPEs' construction and sale programs, among other contingent variables. The
4 Estates' assets have been valued between \$50 million and \$70 million, depending on methods of
5 valuation and the outcome of the recently received tax refunds.

6 **IV. SIGNIFICANT EVENTS DURING THE CHAPTER 11 CASE**

7 The following is a brief description of some of the major events that have occurred during the
8 Chapter 11 Cases.

9 **A. Operation of Business by Debtors-in-Possession**

10 Since the commencement of their respective Chapter 11 Cases, the Reynen Debtors and the
11 Bardis Debtors have managed their assets as debtors-in-possession under the protection of the
12 Bankruptcy Court, pursuant to Sections 1107 and 1108 of the Bankruptcy Code. An immediate effect
13 of the commencement of the Chapter 11 Cases was the imposition of the automatic stay under
14 Section 362(a) of the Bankruptcy Code, which, with limited exceptions, enjoins the commencement
15 or continuation of all prepetition litigation against, and efforts to collect funds from, the Debtor
16 Group or its property, including threatened actions by banks to foreclose upon assets of the Debtor
17 Group. This injunction remains in effect unless and until modified or lifted by order of the
18 Bankruptcy Court.

19 The Debtor Group has used this respite from debt collection to restructure its obligations and
20 business operations, through negotiations with the SPEs' lenders and with the Creditors' Committee.
21 In that regard, the Debtors have negotiated with lenders to complete buildouts of existing unfinished
22 projects, as described further in Section IV(H) below, which discusses the forbearance agreements
23 entered into after the Reynen Petition Date. The Reynen Debtors have also negotiated with secured
24 creditors who filed motions for relief from the automatic stay to reach compromises under which
25 associated deficiency claims would be waived, as explained in more detail in Section IV(I) below,
26 which discusses stay relief motions.

B. Appointment of Official Unsecured Creditors' Committee in the Reynen Case

On May 5, 2008, the United States Trustee appointed the Creditors' Committee in the Reynen Case, pursuant to the provisions of Sections 1102(a)(1) and 1102(b)(1) of the Bankruptcy Code, to represent the interests of general unsecured creditors of the Reynen Debtors. At the time of reaching agreement with the Debtor Group with respect to the terms of the Plan, the Creditors' Committee had seven members, each of which held substantial unsecured claims. Currently, four of those members, each of which holds a large unsecured claim, remain, as follows:

Guaranty Bank Attn: Clifford D. Ogle 8333 Douglas Ave. Dallas, TX 75225	Wells Fargo Bank, N.A. Attn: Pat Mooney 2030 Main Street, Suite 800 Irvine, CA 92614
Comerica Bank MC 4841 Attn: Hisashi Takiguchi 333 W. Santa Clara St. San Jose, CA 95113	Lennar Renaissance, Inc. Attn: Brian Brombeck 25 Enterprise Aliso Viejo, CA 92656

No creditors' committee has been appointed in the Bardis Case. However, because most of the general unsecured creditors of the Reynen Estate are also general unsecured creditors of the Bardis Estate, it is the Debtor Group's belief that negotiations with the Creditors' Committee, even though appointed only in the Reynen Case, have produced Plan terms that are in the best interests of creditors of both Estates.

C. Use of Cash During Chapter 11 Cases

The Reynen Debtors had approximately \$1,168,000 in cash on hand as of the Reynen Petition Date. Since that date, those funds have been used for operating purposes, including advances and reimbursements made to R&B, and payments of approved interim compensation payable to the Creditors' Committee's professionals (all with the approval of the Creditors' Committee and, where necessary, the approval of the Bankruptcy Court). In addition, those funds have been increased by approximately \$2,966,000 in distributions from entities that have no debt and which are owned by the Reynen Debtors, and by approximately \$24,467,000 in income tax refunds received from the Internal Revenue Service. As a result, the Reynen Estate's cash on hand as of February 28, 2009 was approximately \$26,863,000.

1 The Bardis Debtors had approximately \$268,000 in cash on hand as of the Bardis Petition
2 Date. Since that date, those funds have been used for operating purposes, and have been increased by
3 the receipt of income tax refunds in the amount of \$32,724,000 and other receipts of approximately
4 \$115,000. The Bardis Estate's cash on hand as of February 28, 2009 was approximately
5 \$32,750,000.

6 All of the aforementioned income tax refunds received by the Reynen Debtors and the Bardis
7 Debtors are subject to disgorgement to the Internal Revenue Service if the latter successfully
8 challenges the Debtor Group's income tax returns that resulted in those refunds. The Debtor Group
9 has not yet reached agreement with the Internal Revenue Service as to any such challenge.

10 **D. Bankruptcy Schedules and Statements of Financial Affairs**

11 On May 23, 2008, the Reynen Debtors filed their Schedules of Assets and Liabilities and
12 Statement of Financial Affairs, identifying all assets and liabilities of the Reynen Estate as of the
13 Reynen Petition Date and other information regarding the Reynen Debtors' financial condition and
14 affairs. Those schedules were amended on June 23, 2009 in order to provide certain corrections and
15 additions.

16 On October 24, 2008, the Bardis Debtors filed their Schedules of Assets and Liabilities and
17 Statement of Financial Affairs, identifying all assets and liabilities of the Bardis Estate as of the
18 Bardis Petition Date. Those schedules were amended on November 10, 2008.

19 **E. Representation of the Debtor Group and the Creditors' Committee**

20 Under applicable provisions of the Bankruptcy Code, the Reynen Debtors, the Bardis Debtors
21 and the Creditors' Committee are entitled to retain professionals, subject to approval by the
22 Bankruptcy Court. Those professionals' compensation and reimbursement of costs must be paid
23 from funds of the Debtor Group's respective Estates and are treated as administrative expenses,
24 unless other arrangements are made with Bankruptcy Court approval. In the Chapter 11 Cases to
25 date, the following professionals have been retained:

26 **1. Reynen Debtors' Professionals**

27 The Reynen Debtors have retained various professionals, including the following: (a) the law
28 firm of Meyers Law Group, P.C. of San Francisco, California, as their general bankruptcy counsel;

1 and (b) the law firm of Wagner Kirkman Klomprens and Youmens LLP, as special corporate and tax
2 counsel.

3 **2. Creditors' Committee's Professionals**

4 The Committee has retained the following: (a) the law firm of Orrick Herrington & Sutcliffe,
5 LLP of Sacramento, California, as its general bankruptcy counsel; and (b) the accounting, tax and
6 financial advisory firm of Grant Thornton LLP ("Grant Thornton") as its financial advisor.

7 **3. Bardis Debtors' Professionals**

8 The Bardis Debtors have retained the law firm of Meegan, Hanschu & Kassenbrock of
9 Sacramento, California, as their general bankruptcy counsel.

10 **F. Bar Date for Filing Proofs of Claim**

11 The Bankruptcy Court established September 2, 2008 (the "Reynen Claims Bar Date") as the
12 last date for filing claims in the Reynen Case, and February 23, 2009 (the "Bardis Claims Bar Date")
13 as the last date for filing claims in the Bardis Case. The Debtor Group anticipates that motions will
14 be filed in both cases asking the Bankruptcy Court to set a special bar date for certain possible
15 warranty and construction defect claims, but that date has not yet been established.

16 **G. Filing of Tax Returns and Receipt of Refunds**

17 On December 31, 2008, each of the Reynen Debtors and the Bardis Debtors, in agreement
18 with the Creditors' Committee, filed State and Federal tax returns for 2006 and 2007, as well as
19 amendments of prior years' returns. The Reynen Debtors' returns indicated substantial refunds
20 owing to the Reynen Estate, and as a result, the Reynen Debtors have received refunds from the
21 Internal Revenue Service, after offsets, in the aggregate, approximate amount of \$24,467,000, and the
22 Bardis Debtors' returns also indicated substantial refunds owing to the Bardis Estates, resulting in the
23 Bardies Debtors' receipt of refunds from the Internal Revenue Service, after offsets, in the aggregate,
24 approximate amount of \$32,724,000. All such refunds have recently been paid by the Internal
25 Revenue Service to the Debtor Group, as indicated above. To date, however, no closing agreement
26 or other arrangement has been reached with any taxing authorities that would resolve any challenges
27 that may be made with respect to such refunds, and under the Plan, except in certain enumerated
28

1 circumstances, those funds cannot be used for distributions to creditors until any challenge by the
2 Internal Revenue Service has been resolved and the finality of the refunds has been confirmed.

3 **H. Forbearance Agreements**

4 During the pendency of the Chapter 11 Cases, the Debtor Group has entered into several
5 forbearance agreements designed to permit the continued funding of SPE projects in order to
6 maximize recoveries by those SPEs' lenders and thereby reduce or eliminate any deficiency liability
7 of the Estates through associated guarantees. Those agreements, in general, permit continued
8 construction or development of projects, provide additional funding by the SPEs' lenders, and limit
9 or eliminate any continuing guarantee liability on the part of the Estates herein. Such forbearance
10 agreements, each of which has been approved by the Bankruptcy Court with the no opposition from
11 the Creditors' Committee, have been reached with KeyBank National Association, Comerica Bank,
12 and JPMorgan Chase Bank.

13 **I. Motions for Relief from Stay and Deficiency Waivers**

14 Since the commencement of the Chapter 11 Cases, the Debtor Group has defended against,
15 compromised or otherwise addressed several motions for relief from the automatic stay brought by
16 creditors asserting security interests in assets of the Estates (as distinguished from assets of the
17 SPEs). Those motions have included the following:

18 On July 10, 2008, Bank of America, N.A. ("Bank of America") brought a motion for relief to
19 foreclose on the Reynen Debtors' primary residence, the Sacramento Property. The Reynen Debtors
20 opposed the motion, and the motion was denied on August 18, 2008.

21 On August 4, 2008, the Savings Bank of Mendocino ("SBM") moved for relief to foreclose
22 upon a parcel of real property in Mendocino, California known as the White Ranch. The Reynen
23 Debtors negotiated a compromise with SBM whereunder relief would be granted and any deficiency
24 claim against the Reynen Debtors or their Estate would be waived.

25 Also on August 4, 2008, Umpqua Bank N.A. ("Umpqua") moved for relief to foreclose upon
26 two pieces of property known as Molekumne Oaks and Higgins Ranch. The Reynen Debtors
27 negotiated a compromise with Umpqua whereunder relief would be granted and any deficiency claim
28 against the Reynen Debtors or their Estate would be waived.

1 On December 10, 2009, First Imperial Capital Bank ("First Imperial") filed a motion for relief
2 from stay to foreclose upon an apartment building at 915 W. Miner Street owned by a partnership in
3 which the Reynen Debtors hold an interest. The Reynen Debtors opposed the motion and the matter
4 was set for trial for March 9, 2009. The Reynen Debtors and First Imperial reached a compromise,
5 which was approved by the Court in March 2009, pursuant to which First Imperial agreed to
6 withdraw its foreclosure sale notice and to restructure the obligations owing to it, allowing the
7 partnership additional time in which to satisfy those obligations and preserve the apartment building.

8 On November 24, 2008, the Elk Grove Unified School District ("EGUSD") filed a motion for
9 relief from stay to collect delinquent Mello-Roos bond installments related to many parcels of
10 property, all but two of which (the McGregor and 15382 Abierto properties) are not property of either
11 of the Estates, but instead property owned by various entities in which the Reynen Debtors and/or the
12 Bardis Debtors hold interests. By order dated January 15, 2009, the Bankruptcy Court granted
13 EGUSD's motion as to the non-Estate properties, and denied the motion as to the two Estate-owned
14 properties.

24 goods, vehicles, jewelry, artwork, clothing and other personal items of the Reynen
25 Estate, with a total approximate book value of an estimated \$606,000. It should be
26 noted that the amount realizable by the Reynen Estate, however, would be
27 considerably less given the uncertainty of actual present values, particularly in the
28 context of a forced sale without the Reynen Debtors' assistance, and substantial

1 exemption rights asserted by the Reynen Debtors would further limit the Reynen
2 Estate's recovery, if any. As Excluded Assets, these properties will be revested in the
3 Reorganized Reynens as of the Effective Date.

4 • Reynen Debtors Accounts Receivable, Entity Interests and Other General Intangibles.

The estimated fair market value of the Gold River Property is \$550,000. Accordingly, it is estimated that there is no equity in the approximate Gold River Property from the perspective of the Bardis Estate. The property is an Excluded Asset, and under the Plan, the property will revert in the Reorganized Bardises subject to existing liens and the Reorganized Bardises' right to seek to avoid, disallow or modify the aforementioned writ of attachment pursuant to Bankruptcy Code Section 522(f) or any other provision of law.

Atwood Partnership owns a receivable based on other parties acquiring business permits to develop land. As it is impossible to predict when and if the parties will choose to develop the land, the value of this receivable cannot be estimated at this point. It is likely that the receivable will not return any funds for ten years or more. The Plan Agent will be responsible for the sale or other disposition of the Bardis Estate's 50% interest in this property for the benefit of the Bardis Estate.
- Bardis 1215 D St. Interest – The Bardis Debtors own a 12.765% interest in 1215 D Street, which is a limited partnership. The Reynen Debtors also own a 12.765% interest in this partnership. The Bardis Debtors estimate that allowable general unsecured claims under the Plan, within Class D1, will be in an approximate range between \$613,021,000 and \$879,786,000. In the event of liquidation under chapter 7, however, the Bardis Debtors believe that the aggregate amount of such claims is more likely to be in an approximate range between \$662,394,000 and \$907,973,000. It is noted, however, that those amounts are estimates only, and the actual outcome of claims may vary widely from those estimates.

17 Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court, after notice, to hold a
18 hearing on confirmation of the Plan. The Confirmation Hearing with respect to the Plan will be
19 conducted before the Honorable Christopher M. Klein, United States Bankruptcy Judge at the United
20 States Bankruptcy Court for the Eastern District of California, Sacramento Division, 6th Floor,
21 Courtroom 35, Sacramento, California, on a date and time set forth in documents accompanying this
22 Disclosure Statement. The Confirmation Hearing may be continued from time to time by the
23 Bankruptcy Court without further notice except for an announcement of the continued date made at
24 the Confirmation Hearing.

25 Section 1128(b) provides that any party in interest may object to confirmation of a plan. Any
26 objection to confirmation must be made in writing and filed with the Bankruptcy Court and served
27 upon those parties identified for such service in other documents accompanying this Disclosure
28 Statement. Objections to confirmation of the Plan are governed by Bankruptcy Rules 3017 and 9014.

1 **UNLESS AN OBJECTION TO CONFIRMATION IS TIMELY SERVED AND FILED, THE**
2 **BANKRUPTCY COURT MAY NOT CONSIDER IT.**

3 **C. Confirmation**

4 At the Confirmation Hearing, the Bankruptcy Court will confirm the Plan only if all of the
5 requirements of Section 1129 of the Bankruptcy Code are met. In order to be confirmed, the Plan
6 must meet all confirmation requirements from the perspective of each Estate, as if set forth in
7 separate reorganization plans in each of the Chapter 11 Cases. Among the requirements for
8 confirmation of a plan are that the plan is (i) accepted by all impaired classes of claims or, if rejected
9 by an impaired class, that the plan “does not discriminate unfairly” and is “fair and equitable” as to
10 such class, (ii) feasible, and (iii) in the “best interests” of creditors which are impaired under the plan.

11 **1. Acceptance:**

12 As stated, Claims within Classes B1.2, B1.3, B1.4, B1.5, B1.6, B1.7, B1.8, B1.9, B1.10,
13 B1.11, B2.6, C1, C2, D1 and D2 of the Plan are impaired under the Plan and are entitled to vote to
14 accept or reject the Plan. The Debtor Group reserves the right to seek nonconsensual confirmation of
15 the Plan under Section 1129(b) of the Bankruptcy Code with respect to any Class of Claims that
16 rejects or is deemed to reject the Plan.

17 **2. Unfair Discrimination and Fair and Equitable Tests**

18 To obtain nonconsensual confirmation of the Plan, it must be demonstrated to the Bankruptcy
19 Court that the Plan “does not discriminate unfairly” and is “fair and equitable” with respect to each
20 impaired, non-accepting Class. The Bankruptcy Code provides a non-exclusive definition of the
21 phrase “fair and equitable.” The Bankruptcy Code establishes “cram down” tests for secured
22 creditors, unsecured creditors, and equity holders, as follows:

23 **a. Secured Creditors.** Either (i) each impaired secured creditor retains its liens
24 securing its secured claim and receives on account of its secured claim deferred cash
25 payments having a present value equal to the amount of its allowed secured claim, (ii) each
26 impaired secured creditor realizes the “indubitable equivalent” of its allowed secured claim,
27 or (iii) the property securing the claim is sold free and clear of liens with such liens to attach
28

1 to the proceeds of the sale and the treatment of such liens on proceeds is provided in clause (i)
2 or (ii) of this subparagraph.

3 **b. Unsecured Creditors.** Either (i) each impaired unsecured creditor receives or
4 retains under the plan property of value equal to the amount of its allowed claim or (ii) the
5 holders of claims that are junior to the claims of the dissenting class will not receive or retain
6 any property under the plan.

7 **c. Interests.** Either (i) each holder of an interest in the Estates will receive or
8 retain under the plan property of a value equal to the greatest of the fixed liquidation
9 preference to which such holder is entitled, the fixed redemption price to which such holder is
10 entitled or the value of the interest, or (ii) the holder of an interest that is junior to the non-
11 accepting class will not receive or retain any property under the plan.

12 The Debtor Group believes that the Plan and the treatment of all Classes of Claims under the
13 Plan satisfy the foregoing requirements for nonconsensual confirmation of the Plan.

14 **3. Feasibility**

15 The Bankruptcy Code requires that confirmation of a plan is not likely to be followed by
16 liquidation or the need for further financial reorganization. Because the Plan provides for an orderly
17 liquidation of Estate assets, the Debtor Group submits that there is no material issue as to feasibility.

18 **4. Best Interests of Creditors**

19 With respect to each impaired Class of Claims, confirmation of the Plan requires that each
20 holder of a Claim either (i) accept the Plan or (ii) receive or retain under the Plan property of a value,
21 as of the Effective Date, that is not less than the amount such holder would receive or retain if the
22 debtors' assets were liquidated under chapter 7 of the Bankruptcy Code. To determine what holders
23 of Claims of each impaired Class would receive if the debtors' assets were liquidated under chapter 7,
24 the Bankruptcy Court must determine the dollar amount that would be generated from that liquidation
25 in the context of a chapter 7 liquidation case. The cash amount which would be available for
26 satisfaction of unsecured claims would consist of the proceeds resulting from the disposition of the
27 unencumbered assets of the estate, augmented by the unencumbered cash held by the chapter 7
28 trustee at the time of the commencement of the liquidation case. Such cash amount would be reduced

1 by the amount of the costs and expenses of the liquidation and by such additional administrative and
2 priority claims that may result from the use of chapter 7 for the purposes of liquidation.

3 In Reynen Case and the Bardis Case, the Debtor Group believes that the Plan is likely to
4 produce a greater and prompter recovery for general unsecured creditors than chapter 7 liquidations
5 of the two Estates. Attached hereto as **Exhibits “C” and “D”** is the Debtor Group’s analysis of the
6 probable outcomes of distributions under the Plan and, in the alternative, chapter 7 liquidations in the
7 two cases. As can be seen from a review of that analysis, it is the Debtor Group’s belief that general
8 unsecured creditors would receive distributions of between approximately 0.9% and 2.2% in the
9 Reynen Case in a chapter 7 liquidation, and that general unsecured creditors would receive
10 distributions of between approximately 0.9% and 2.2% in the Bardis Case in a chapter 7 liquidation.
11 This is contrasted with roughly ranges of 3.0% - 6.0% and 2.4% - 5.2%, respectively, expected in
12 distributions to general unsecured creditors under the terms of the Plan. By those estimations,
13 recoveries will be greater under the Plan and the best interests test is satisfied.

14 The principle reason for the difference in outcomes in chapter 7 and under the Plan is the level
15 of cooperation and assistance to which the Reynen Debtors and the Bardis Debtors have committed
16 under the Plan, which assistance efforts would not be required of them in chapter 7 liquidations.
17 Those assistance efforts are expected to benefit the Estates under the Plan in several respects,
18 including the following:

19 First and foremost, the Debtor Group has agreed to actively prosecute the tax returns recently
20 filed by them on behalf of the Estates, and to defend the substantial refunds recently obtained
21 thereby. The returns, and hence the resulting refunds, are complex and depend upon exhaustive
22 analyses, valuations and estimations of the assets and operations of more than one hundred SPEs, for
23 which the Debtor Group and its Buildco staff has intimate familiarity, and without the Debtor
24 Group’s active assistance, it is believed that the outcome of those returns and refunds might be
25 substantially less favorable to the Estates. Therefore, recoveries by unsecured creditors under the
26 Plan are expected to be significantly enhanced by the Debtor Group’s assistance in obtaining and
27 retaining the expected tax refunds. Most importantly, the Tax Refund is almost entirely dependent on
28 the Debtor Group’s defense and the continued efforts by Buildco. If the Estates are liquidated in

1 chapter 7 cases at this point, whereas the Debtor Group would fulfill their statutory duties in
2 cooperating in the chapter 7 trustee's defense of the tax refunds in response to a challenge by the
3 Internal Revenue Service, it is not anticipated that the level of support by the Debtor Group,
4 uncompensated and necessarily secondary to new, income-producing ventures of the Debtor Group,
5 would be as helpful. Moreover, with the dissolution of Buildco, Inc. and the loss of its staff and its
6 great familiarity with the tax returns, the chapter 7 trustee's challenges in defending the tax refunds
7 would be dramatically increased. In that event, for lack of the same support for its defense, the
8 Reynen Tax Refund might be dramatically reduced by challenges by the IRS, possibly to the lesser
9 amount of \$6.9 million, and that the Bardis Tax Refund might also be dramatically reduced, possibly
10 to the lesser amount of \$10.5 million. On the other hand, the Debtor Group believes that under the
11 Plan, with the Reorganized Debtors' active defense of the refunds, the final sustainable amounts of
12 refunds will be much greater, up to the presently held amounts of \$25.9 million and \$34.7 million,
13 respectively, as it is the Debtor Group's belief that those refund amounts are defensible and
14 appropriate.

15 Second, the continued, limited operations of Buildco under the terms of the Plan are expected
16 to substantially reduce the potential claims against the Estates by completing construction of selected
17 projects, maximizing recoveries of the SPEs' lenders through those build-outs, and thereby
18 decreasing the potential deficiencies, and hence claims against the Estates under personal guarantees,
19 realized by those lenders. These reductions in claims are expected to arise from both completion of
20 construction projects and the Debtor Group's assistance in reviewing and resolving claims that are
21 disputed or that arise from guaranteed deficiencies.

22 Third, the Debtor Group has agreed to provide substantial assistance to the Plan Agent in the
23 marketing and sale of the Estates' assets, consisting primarily of parcels of real property. Here too,
24 the Debtor Group is most familiar with those properties and their sales features, and it is anticipated
25 that the Debtor Group's input and assistance to the Plan Agent will result in prompter and better
26 recoveries for general unsecured creditors. In a liquidation, the Debtor Group believes that its assets
27 would be sold for less, and because most of the Debtor Groups' assets are encumbered by liens, sales
28

1 of collateral at distressed prices would likely leave little surplus after secured debt, and therefore, less
2 funds would be available to distribute to holders of general unsecured claims.

3 The Debtor Group's assistance to the Plan Agent will be compensated in various manners as
4 described above. It is the Debtor Group's belief that even after taking into account those forms of
5 compensation, the Estates will be materially benefited from the Debtor Group's promised efforts,
6 resulting in a better outcome under the Plan than in chapter 7 liquidations. This is the conclusion
7 reached by the Creditors' Committee as well, after having negotiated exhaustively with the Debtor
8 Group with respect to the particulars of promised assistance and the levels and calculations of
9 compensation.

10 For these reasons, the Debtor Group believes that the Plan will produce a better and quicker
11 recovery for creditors than chapter 7 liquidations, and that the "best interests" test described above is
12 therefore satisfied by the terms of the Plan.

13 **D. Consummation**

14 The Plan will be consummated following the Effective Date, which will be a date shortly
15 following entry of the Confirmation Order, absent a stay of implementation.

16 **E. Effect of Confirmation of the Plan**

17 Confirmation and effectuation of the Plan will bind the Debtor Group, all creditors and all
18 other parties in interest to the provisions of the confirmed Plan, whether or not the claim of such
19 creditor is impaired under the Plan and whether or not such creditor has accepted the Plan. Nothing
20 contained in the Plan will limit the effect of Confirmation as described in Section 1141 of the
21 Bankruptcy Code.

22 **VII. CERTAIN RISK FACTORS TO BE CONSIDERED**

23 **HOLDERS OF CLAIMS AGAINST THE REYNEN DEBTORS OR THE BARDIS**
24 **DEBTORS SHOULD READ AND CONSIDER CAREFULLY THE FACTORS SET FORTH**
25 **BELOW, AS WELL AS THE OTHER INFORMATION SET FORTH IN THIS**
26 **DISCLOSURE STATEMENT (AND THE DOCUMENTS DELIVERED TOGETHER**
27 **HEREWITH AND/OR INCORPORATED BY REFERENCE HEREIN), PRIOR TO VOTING**
28 **TO ACCEPT OR REJECT THE PLAN. THESE RISK FACTORS SHOULD NOT,**

1 **HOWEVER, BE REGARDED AS CONSTITUTING THE ONLY RISKS INVOLVED IN**
2 **CONNECTION WITH THE PLAN AND ITS IMPLEMENTATION.**

3 **A. Certain Bankruptcy Law Considerations**

4 **1. Risk of Non-Confirmation of the Plan**

5 Although the Debtor Group believes that the Plan will satisfy all requirements necessary for
6 confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will
7 reach the same conclusion. Moreover, there can be no assurance that modifications to the Plan will
8 not be required for confirmation, or that such modifications would not necessitate the resolicitation of
9 votes.

10 **2. Non-Consensual Confirmation**

11 In the event one or more impaired Classes of Claims does not accept the Plan, the Bankruptcy
12 Court may nevertheless confirm the Plan at the Debtor Group's request, if all other conditions for
13 confirmation have been met and at least one impaired Class has accepted the Plan (such acceptance
14 being determined without including the vote of any "insider" in such Class) and, as to each impaired
15 Class that has not accepted the Plan, if the Bankruptcy Court determines that the Plan "does not
16 discriminate unfairly" and is "fair and equitable" with respect to the rejecting impaired classes. The
17 Debtors believe that the Plan satisfies those requirements.

18 **3. Tax Attributes of the Plan**

19 Neither the Debtor Group nor the Creditors' Committee will seek a ruling from the Internal
20 Revenue Service prior to the Effective Date with respect to any of the tax aspects of the Plan. EACH
21 HOLDER OF A CLAIM IS STRONGLY URGED TO CONSULT WITH HIS TAX ADVISOR
22 REGARDING THE FEDERAL, STATE, LOCAL AND FOREIGN TAX CONSEQUENCES OF
23 THE PLAN.

24 **B. Certain Practical Considerations**

25 **1. Failure to Retain Tax Refunds**

26 Although the Debtor Group has recently received the substantial tax refunds described above,
27 there is no assurance that significant portions thereof may not be reclaimed by the Internal Revenue
28 Service. The Debtor Group has not yet received any formal reaction from any taxing authorities

1 regarding the refunds, and therefore cannot predict the likelihood of disputes and litigation regarding
2 the refunds. If the refunds are significantly reduced, recoveries by general unsecured creditors will
3 be adversely affected.

4 **2. Failure of R&B's Operations**

5 There is a risk that the operations of Buildco will fail, or will not produce the results
6 anticipated in terms of construction completion and reductions of deficiency claims, either because of
7 lack or insufficiency of funding, failure of agreements with the SPEs' lenders or other contingent
8 events. In that event, which the Debtor Group does not expect, claims against the Estates will be
9 increased and recoveries by general unsecured creditors, on a percentage basis, will be reduced.
10 There is, of course, the risk that the Debtors' buildout operations will not succeed in achieving the
11 results expected. In that event, which the Debtors consider unlikely, the Debtor Group will continue
12 to try to minimize deficiency claims. The Debtor Group will further continue to negotiate with their
13 prepetition lenders to reduce claims owed by each Estate. However, there is no guarantee that after
14 the projects are built out the deficiency claims will be reduced to the extent anticipated by the Debtor
15 Group.

16 **3. Estimated Amounts**

17 The valuations provided on the Debtor Group's schedules were based on the estimates of the
18 Debtor Group, as well as the staff at R&B, based on their extensive knowledge of the real estate
19 market. Those estimates are a reflection of the Debtors' best subjective valuation at the time. It
20 should be noted that the bulk of the Debtors' real property assets are located in Sacramento and the
21 Sacramento area. In October 2008, the median sales price in the Sacramento area fell below
22 \$200,000 for the first time since April 2002. Some experts expect the values to continue to decline,
23 while at the same time increasing the number of homes sold. With this wide-ranging volatility, it is
24 difficult to predict what the values will be at the time of the sale of Estate assets. Furthermore, the
25 liquidation value of real property is generally below fair market value, further compounding the
26 ability to accurately determine the value of the Debtors' real property assets.

27 In light of the volatile real estate market, declining home values and the discounted value for a
28 liquidation sale, all creditors and parties in interest should be aware that the amounts received for the

1 sale of the Debtors' real property assets could significantly vary the values listed on the Debtors'
2 schedules and the estimates provided in the Plan and this Disclosure Statement.

3 **4. Contested Claims**

4 If the Plan Agent and the Reorganized Debtors are unsuccessful in their objections to
5 contested and contingent Claims that have been filed against the Estates, the total liabilities will be
6 greater than expected. The Plan Agent and the Reorganized Debtors intend to vigorously oppose the
7 allowance of all Claims that they believe are either entirely or in part without merit. However, if the
8 Plan Agent's or the Reorganized Debtors' objections are not upheld by the Bankruptcy Court, and
9 these Claims are allowed in amounts in excess of the amounts that have been accrued by the Debtor
10 Group, the total liabilities of the Estates will be greater than expected, and there will be less cash than
11 expected available for distribution to creditors.

12 **5. Liquidation Analysis**

13 The Debtor Group has prepared hypothetical chapter 7 liquidation analyses attached as the
14 second halves of **Exhibits "C" and "D"** to assist Claimants holding impaired claims to reach their
15 determination as to whether to accept or reject the Plan. Underlying the liquidation analyses are a
16 number of estimates and assumptions that, although developed and considered reasonable by the
17 Debtor Group and the management of Buildco, are inherently subject to economic uncertainties and
18 contingencies beyond the control and knowledge of the Debtor Group. It is noted that the Creditors'
19 Committee's financial advisor assisted the Debtor Group in the preparation of **Exhibits "C" and**
20 **"D,"** particularly as to methodology and format, but that the assumptions and estimated amounts
21 contained in those analyses are solely those of the Debtor Group and Buildco, Inc.

22 Accordingly, there can be no assurance that the values assumed in the liquidation analyses
23 would be realized if the Estates were liquidated under chapter 7. In addition, any liquidation that
24 would be undertaken would necessarily take place in future circumstances which cannot currently be
25 predicted. Therefore, while the liquidation analyses are necessarily presented with numerical
26 specificity, if the Estates were liquidated under chapter 7, the actual liquidation proceeds could vary,
27 perhaps substantially, from the amounts set forth in **Exhibits "C" and "D."** No representation or
28 warranty can be or is being made with respect to the actual proceeds that could be received in a

chapter 7 liquidation. Nothing contained in the liquidation analyses is intended or may constitute a concession or admission of the Debtor Group for any other purpose.

VIII. CONCLUSION AND RECOMMENDATION

Based upon the foregoing, the Debtor Group, with the support of the Creditors' Committee, believes that confirmation and implementation of the Plan is in the best interests of all creditors, and should therefore be accepted by all classes of creditors.
